ALEXANDER HUNTER

Full-stack developer and recent bootcamp graduate with fresh skills and drive, looking for opportunities to develop skillsets anywhere from front- to back-end. Enjoys finding creative, math-forward solutions to complex problems. Coworking and telecommute friendly.

EDUCATION

Coding Dojo   April 2018 to July 2018
- ¤ Graduated with highest honours (triple black belt) and 1000+ hours of coding time.
- ¤ Learned practical, up-to-date skills in three full stacks - Java/Spring, Python/Django, and MEAN - and applied those new skills in creating multiple full-stack websites and projects.
- ¤ Spearheaded and managed 3 major projects in teams of 2-4 people.
  Contact: Donovan An, Lead Instructor - dan@codingdojo.com

University of Rochester   Class of 2010
- ¤ Bachelor of Arts in Film and Media Studies.
- ¤ Minor in Japanese language, concentration in Cognitive Science.
- ¤ Extracurriculars: UR YellowJackets a cappella, Sigma Phi Epsilon.

EXPERIENCE

Independent Producer
80 Productions   June 2010 to April 2018
- ¤ Produced, filmed, and edited digital video for many clients including Skis Rossignol S.A., StoryCloud, and Kingdom County Productions.
- ¤ Developed a wide-ranging skillset using modern digital video hardware and the Adobe Creative Cloud suite.

Assistant Editor
VIDEOSyncracies   August 2013 to July 2016
- ¤ Filmed and edited videos in documentary and instructional styles.
- ¤ Tackled several large subtitling projects without previous subtitling experience, including a nearly 40-disc set of Indonesian *wayang kulit* shadow-puppet shows, with subtitles in English and Javanese.
- ¤ Redesigned, rebuilt, and maintained the studio's internal network of PCs, NASes, scanners, disc duplicators, and document and direct-to-disc printers.
- ¤ Redesigned and updated company website.
- ¤ Operated and repaired the studio's DJI Phantom 2 quadrotor drones.
